Mädchen...

I suddenly  
don't feel well...

Huh?

No! I was really  
looking forward to  
eating here~

That's not the  
problem...

The moment  
we expected the  
responsible...

Many people  
beginning to...

Professor,  
I don't like the (no)  
but you still have  
a good idea...

Mister, you said  
you were going to  
lead me, so you can't  
back out now!

Alright-  
Let's eat and get  
out of here

SAFETY  
REGENTS

Hehe

It seems...

like some of them  
nodded here after hearing  
the rumors about Byeon  
Chan Lim...

We'd like  
to order now...  
please

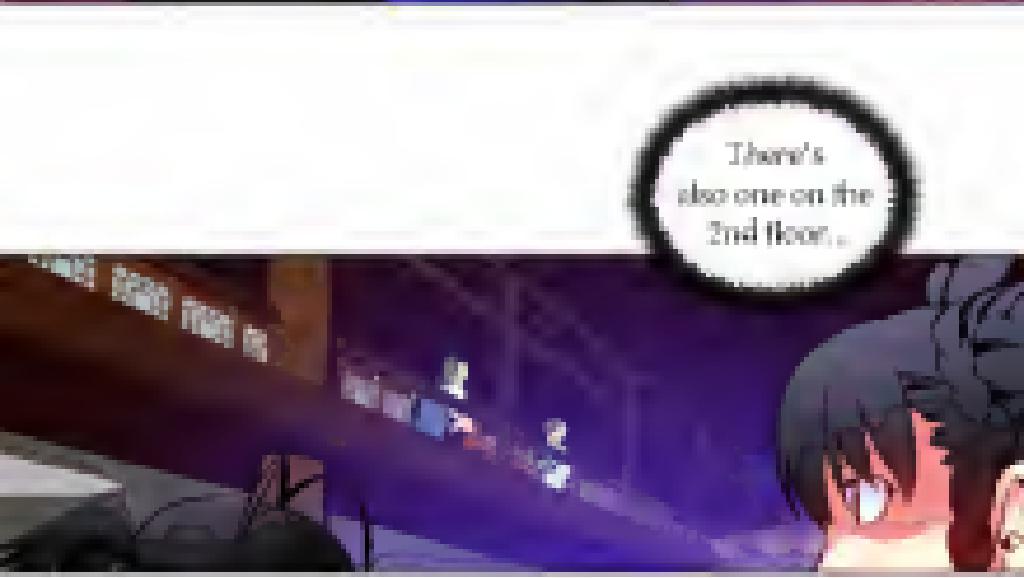

Well, most  
of them look weak  
anyway, so I don't  
have to worry  
about them.

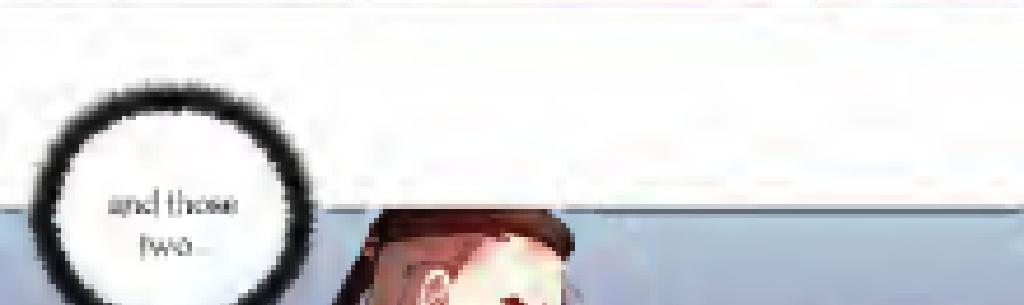

But if  
someone  
skilled comes  
along...

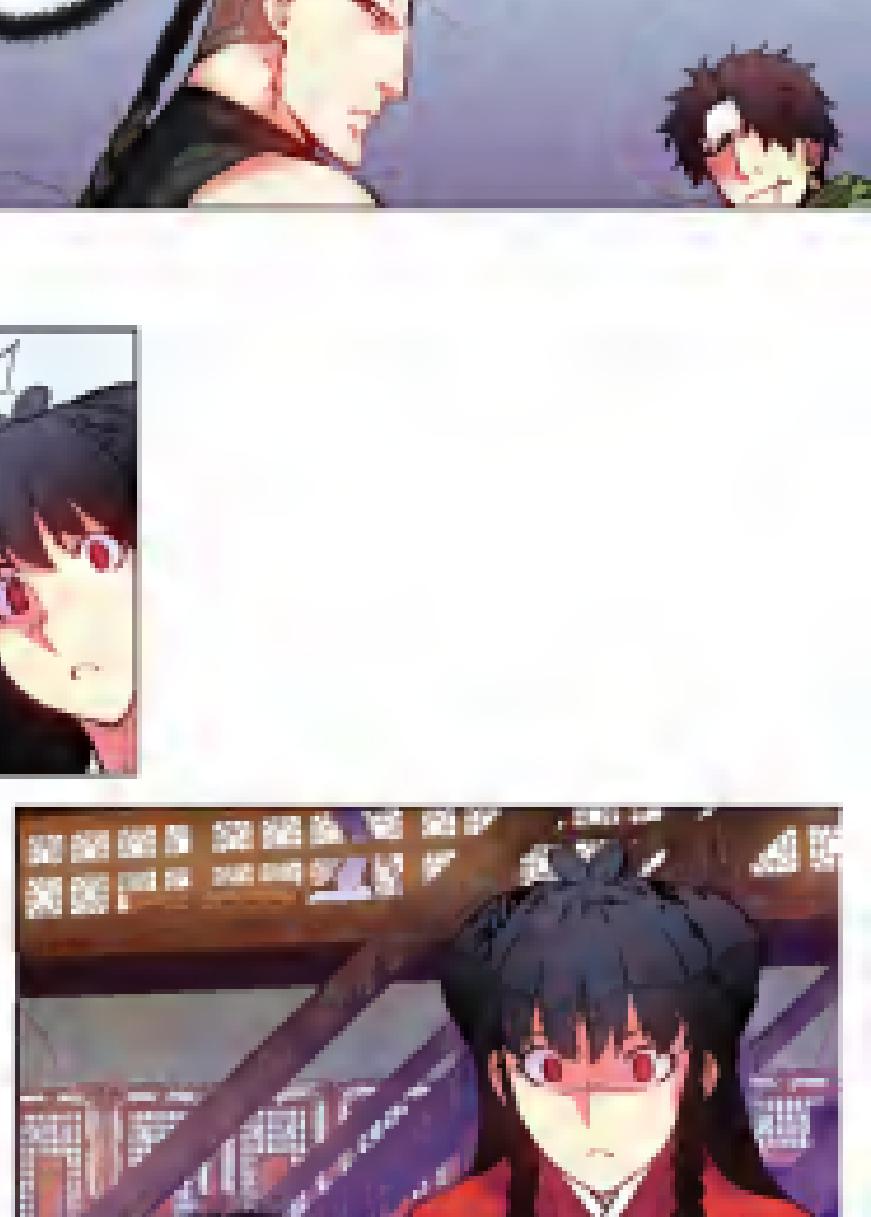

Like that map behind Marchen...

There's also one on the 2nd floor...

and those two...

Wait...  
There should be  
one more...

Who is...  
that man...?!

He has  
a weird  
aura...

and he  
keeps trying to  
suppress it!

The real  
deal is over  
there!!

Chapter 2

It's better  
than your food,  
that's for sure~

C'mon~  
You can't compare  
me with them~

I'll get  
to this level  
eventually...

There's  
something I must  
ask you two

Are you...

from Byeon  
Chul Lim?

...

I don't  
understand.

What do you  
mean, sir?

This man has  
been calling you  
"Master" for some  
time now...

Are you  
two not martial  
artists?

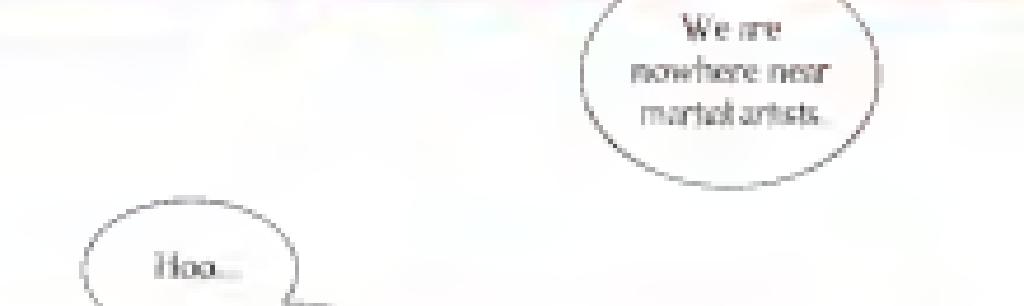

After all,  
there has been some  
misunderstanding.

We study literature.

We are nowhere near martial artists.

Hoo...

Is that right...?

In that case...

Shall I test your strength?!

Huh?

Wabbit  
WITCH

忍者  
NINJA

RAKU NINJA ROLL

Uwaa~

Ouch~

Huh~?

What is  
the meaning  
of this?!!

What the hell...  
I just barely threw  
that punch...

Uwaa~  
How many  
times has that  
been today~

If they had been

trained in martial arts,  
they should've at least  
tried to counterattack  
even if they couldn't  
block it

Excuse  
me!

But this man  
had no such  
reaction...

No...

Why did  
you punch  
me?

He couldn't  
dodge it...!!

Pay  
attention!

I got  
the wrong  
people!

I'm very  
sorry for  
intruding!

You hit me  
and all you  
have to say is  
"sorry"??

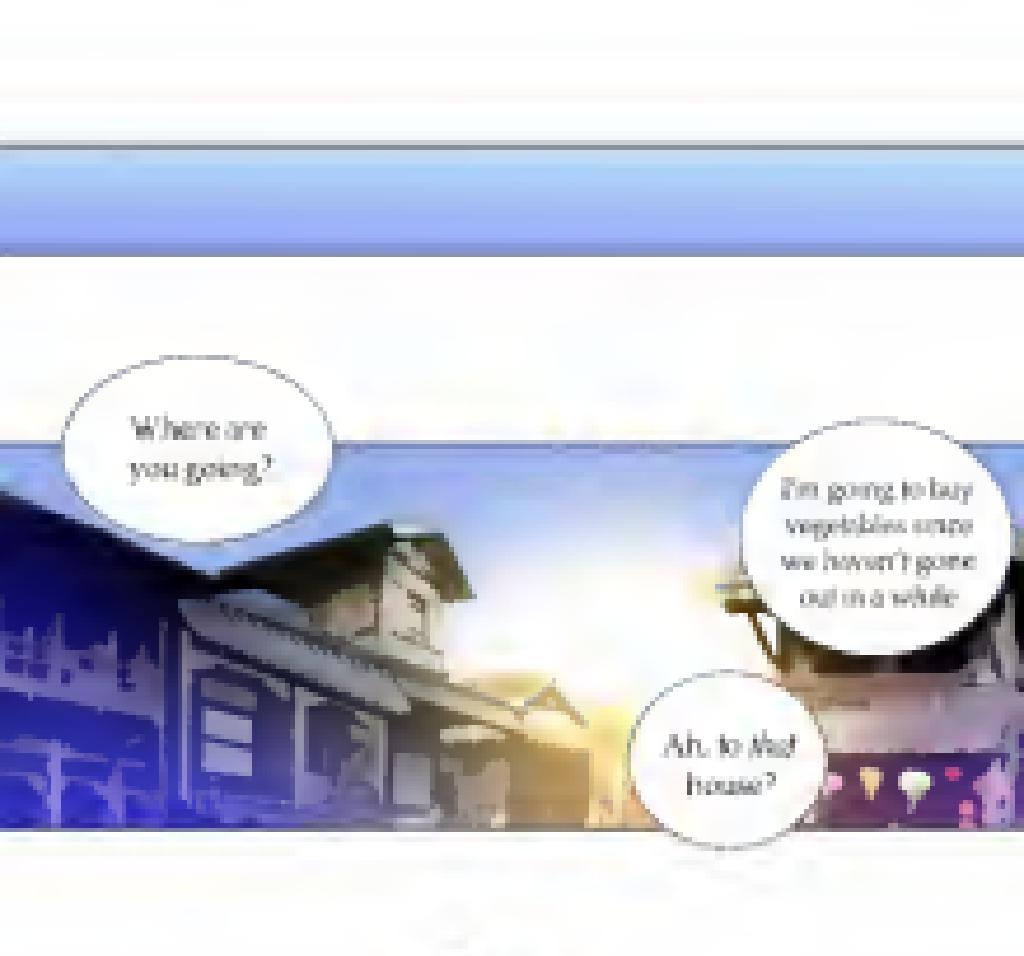

That's  
enough

Let's go  
and get out  
of here.

Hopefully, most of  
the people here  
were jockeyed.

Where are you going?

I'm going to buy vegetables since we haven't gone out in a while

Ah, to the house?

Uwaa~

Märchen-oppo~!  
Long time no see!

Haha, Chung-ah how have you been?

Ah Unn, you're here too?

What's with your märchen?

I'm here to buy some of vegetables. What have you got this time?

The vegetables I have depends on the time you come, so make sure you visit frequently...

So that you come visit me more often too...

Haha. It's not as easy as you think...

Ten people have been stalking us since we left the restaurant...

So this is how many people are left after that little event...

And those four are still with us.

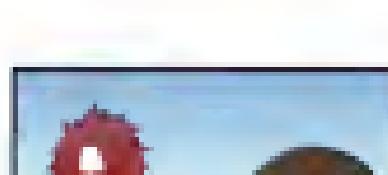

Hoo, there's  
still people staking  
them...

Then I'll have  
to withdraw and  
watch them from  
a distance.

There are people  
who still get on  
my nerves

Master,  
don't you think  
that fried pork was  
really good?

I think that they  
slowly cooked it while  
boiling it. I wonder  
how they did it?

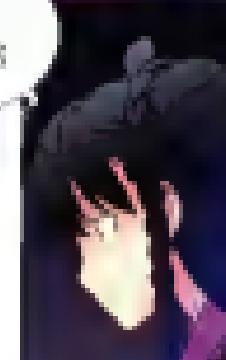

Sigh-

Brother  
Kuotai  
died

How?  
What's going  
on?

I wish he was  
that interested  
in martial arts  
instead.

It's  
nothing

What makes me  
really angry.

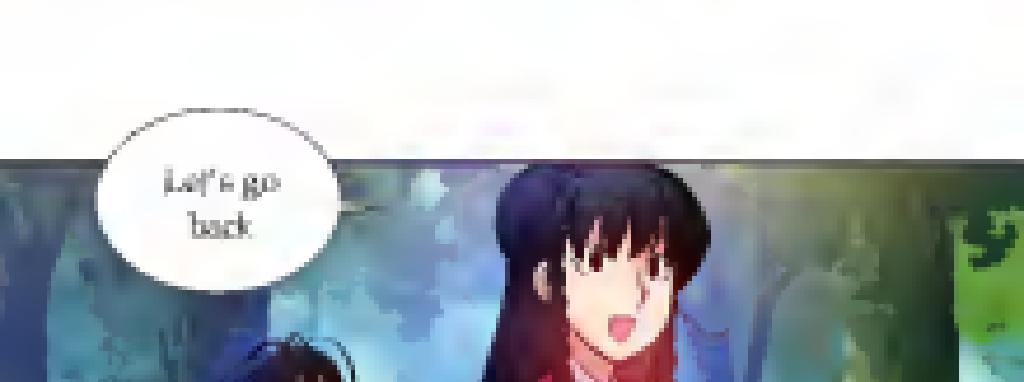

is the fact that this idiot  
still hasn't realized we're  
being followed yet!

Well...

should we start losing them?

Let's go back

I hate leaving Chan alone to eat, so let's hurry.

Ah. That's why I bought some meat buns for Chan.

Huh? Really?

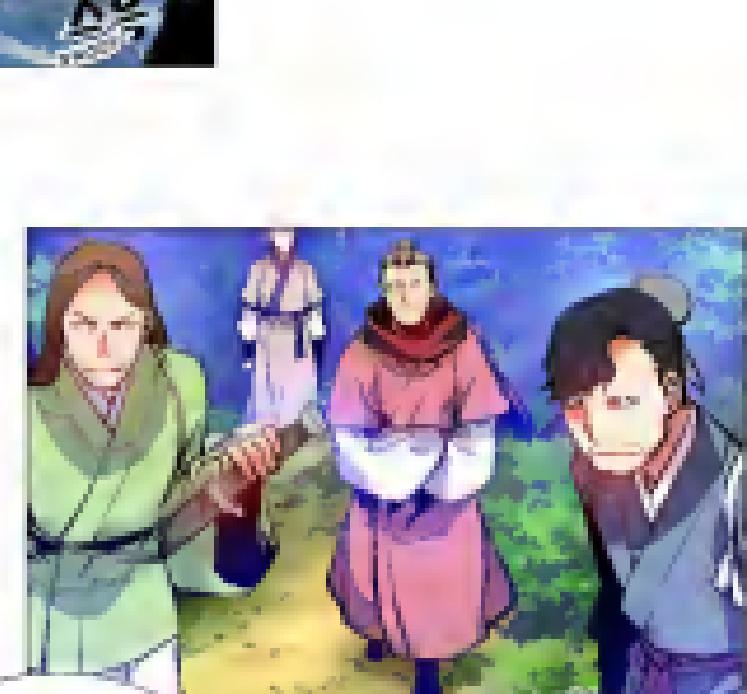

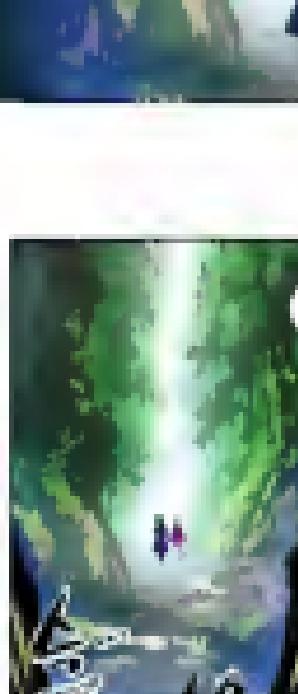

What's with that reaction? - You're trying to antagonize, aren't you?

No, that's not it...

Just one bite...

It's almost sundown and they keep going, in deeper and deeper...

I knew it...

They are  
related to the  
Byeo! Chun  
Lim!

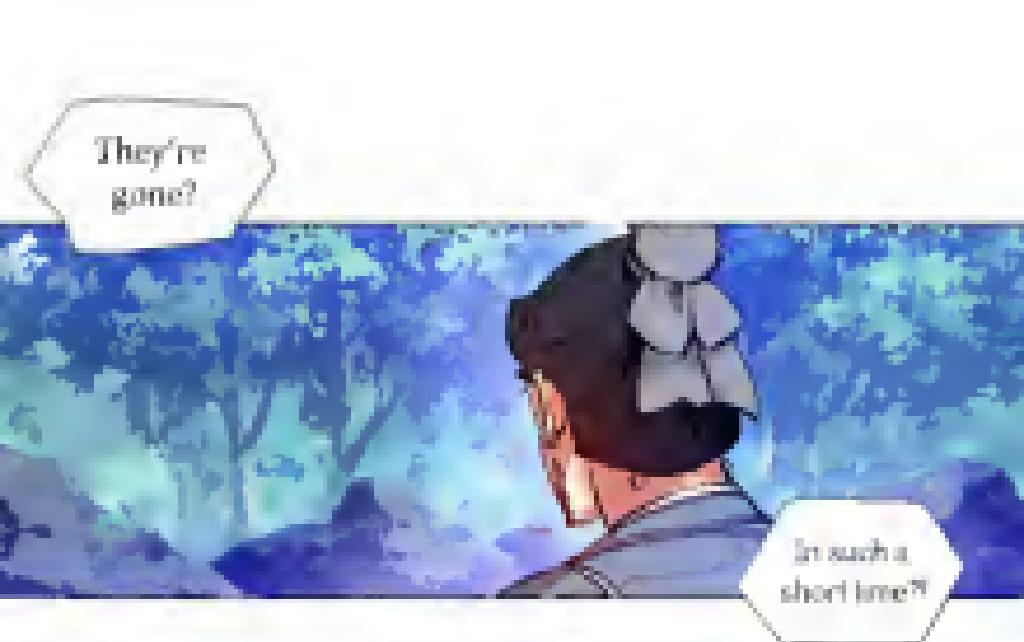

Yes! That's  
the way to  
their clan!!

Let's  
go!!

We'll  
lose them  
at this...

YAH!!

!!

They're gone?

In such a short time?

What's going on?

Did you guys see where they went...?

Huh?

Everyone

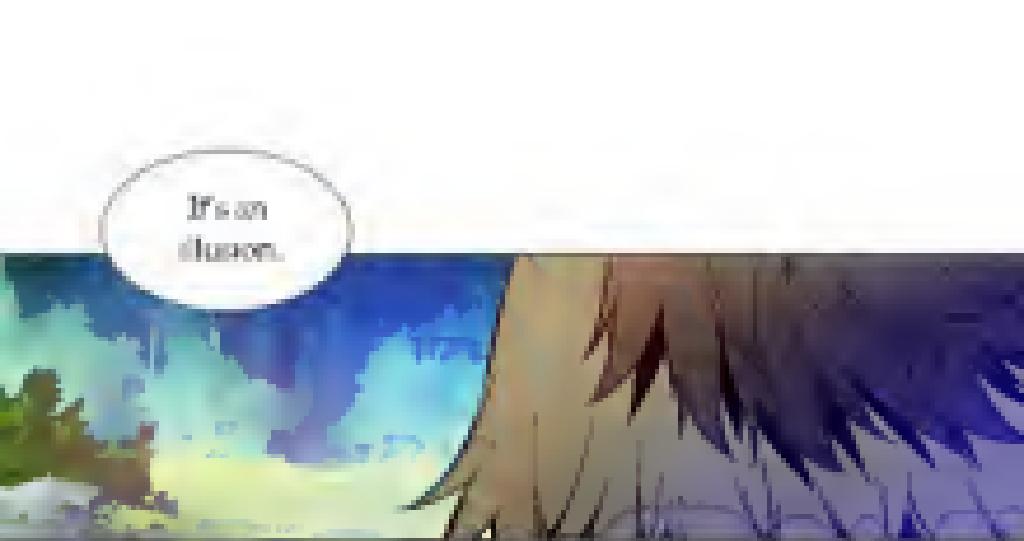

Where did you all go...?!

W... What the hell...

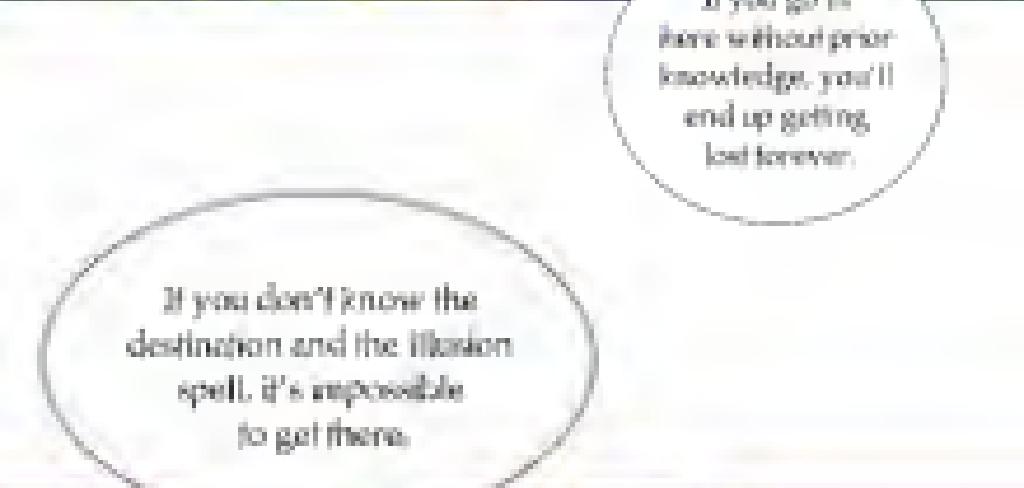

is going on here?!

If it's an illusion...

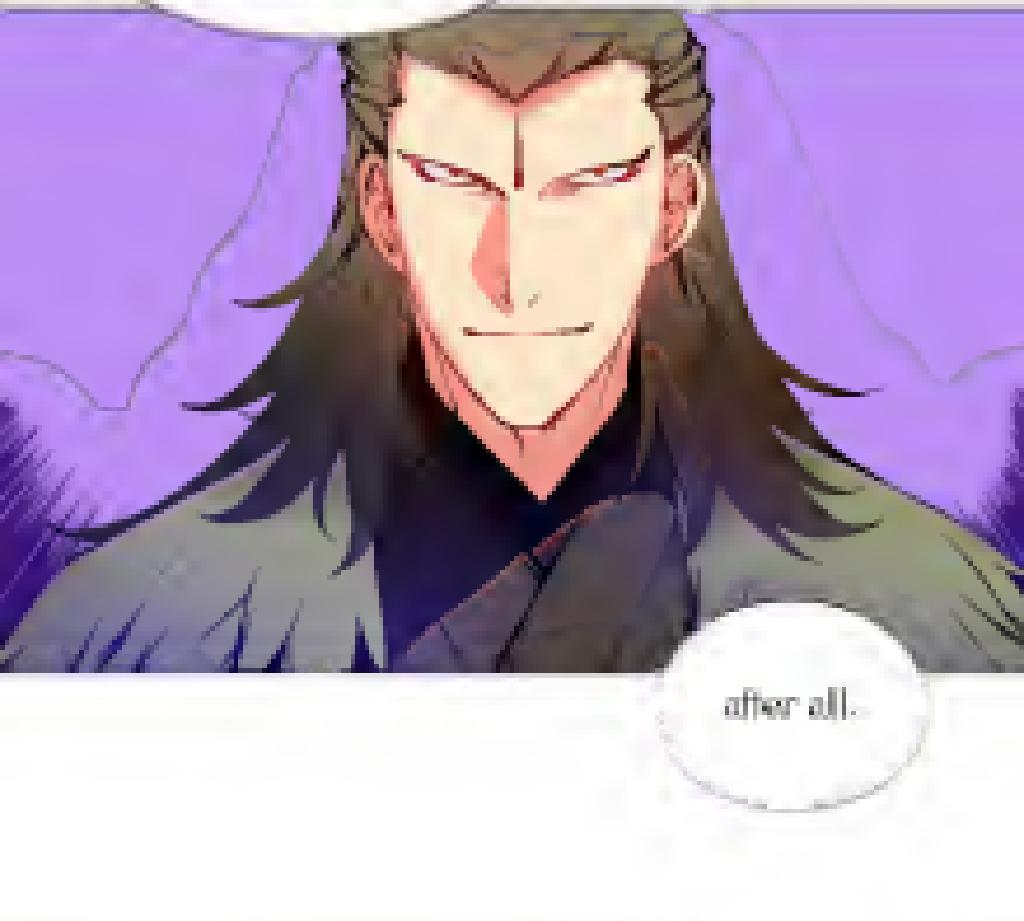

From the beginning of the path, we've been surrounded by an illusion

If you go in here without prior knowledge, you'll end up getting lost forever.

If you don't know the destination and the illusion spell, it's impossible to get there.

after all.

So this

is the  
entrance to Byeol  
Chun Lim!!
